

Like many other organizations,
OEA is Going Green too!

OEA Governance Documents

Following the launch of the new OEA website, OEA will post governance documents on the site, available to all members who are logged in.

For your convenience, the following documents can be located in the **Local Leaders** section under **OEA Governance Documents**.

- Constitution & Bylaws
- Resolutions Report
- Legislative Policies
- Education Reform Package

OEA has enacted this change not only to give members access to these documents, but also to ensure cost savings on printing and distribution.

Members can request a printed copy of OEA Governing Documents by contacting execweb@ohea.org.
